

Lenny the Lion's First Day at Hodnet Primary School

Join Lenny on his tour around our school ...

Who will I meet?

Today is my first day at school. I have butterflies in my tummy because I haven't been to school before. I am worried I will miss my mummy and daddy. I line up on the playground and feel much better when I see Mrs Noden and Mrs Jones smiling at me.

Mrs Noden teaches on Monday, Tuesdays and every other Wednesday and Mrs Akers teaches on every other Wednesday, Thursday and Fridays. Mrs Jones is the Teaching Assistant all week.

Coming in

I wave goodbye and go into my new classroom. Mrs Jones helps me find my peg. I'm excited to have my very own peg with my name on it. I put my book bag in a special box.

*Photo book bag

Our school day...

First we do something called finger skills. I try lots of fun games using pincers, pipe cleaners and scissors.

Our school day...

Next, Mrs Noden asks us to sit on the carpet, we all have our own little squares. We sing some fun songs then we get busy.

Our school day...

I really love making things so I go outside and make an aeroplane with the construction kit.

Our
school
day...

I get a bit worried because I need to go to the toilet. Mrs Jones shows me where to go and waits outside so I know how to get back to the classroom.

I like the little lion-sized sinks!

Our School day ...

Next I go inside. Sally Seal asks if I would like to play cars. I build her a massive garage with the wooden blocks.

*Wooden block photo

Our School day ...

Now it's break time. There are lots of children outside. I see my big sister Laura. I give her a quick hug before I run off and have a go on the balancing log.

Class R can use the playground every afternoon and at Friday break time. Outside at lunch times, there are lots of physical toys to play with such as space-hoppers, bats and balls.

Our school day

After break we have some milk and fruit in our carpet space.

Then I play some maths games and read a story in the Book Nook

Our school day...

After we tidy up it is lunch. I have my favourite - pasta and sweetcorn! Then I play outside with my new friends.

In the afternoon, Mrs Noden shows us Forest School. She explains that on Wednesdays we will come into school in our waterproofs and wellies and play outside all morning. She said that we even have hot chocolate and biscuits!

Our School day

- I can't wait to make mud pies in the
- mud kitchen!
